

Christian Paille

Christian Paille is FRC's Assistant Manager, full time Gunsmith, and a Staff Firearms Instructor. Christian comes to FRC from F.I.T.S. Indoor Range in Slidell where his hard work and reputation for knowledge, skill, and professionalism made him a highly valued resource and the "go-to" guy for many shooters in that region.

As is the case with many of FRC's staff, Christian started in Law Enforcement and served as a Sheriff's Deputy with both Washington and Tangipahoa Parishes. He began doing gunsmithing work and firearms instruction shortly thereafter, working as the Weapons Technician at the Louisiana National Guard Museum while earning his NRA and LSP instructor certifications.

Christian is a Massad Ayoob Group Staff Instructor and a 2 time Massad Ayoob Group Top Gun winner. He plays a crucial role in our Security Guard Training Program and the FRC Sentinel Program, and teaches a large number of our core firearms classes as well.

Last, Christian offers our shooters a full suite of smithing services including everything from sight installs and trigger jobs to glass bedding and full weapons restorations.

We're excited to have him on the team, and he is eager to get to know all of the shooters that call FRC home.
