

Joe Carlino

Mr. Joe is usually the first staff member to greet you when you walk into the range and the last to tell you goodbye when you leave. He has been a very familiar face at FRC since we opened in late 2015, and he is the primary reason that we have such a stellar and unblemished safety record. As FRC's Lead Range Safety Officer (RSO), Joe is responsible for the safe operation of the firing line as well as the overall well-being of all of our shooters and guests. As an 18 year veteran of the Baton Rouge Police Department, Joe takes his job as RSO and his responsibility for the safety and security of our guests very, very seriously. And like all of FRC's staff, he is also a certified firearms instructor with impeccable credentials. FRC is very proud and privileged to have him as a member of our team!
