

Lucas Bernard

Lucas has been with FRC from the very beginning and has been a primary contributor to our success ever since. Lucas is both a U.S. Army Combat Medic and a commissioned law enforcement officer with the City of Port Allen. He holds a B.A. in Sociology/Criminology from L.S.U., and is a Louisiana Board of Private Security Examiners Licensed Firearms Instructor. He is also an NRA and LSP certified firearms instructor as well as a certified Glock Armorer. Lucas has a natural talent for teaching, and when it comes to helping people learn to defend themselves against violent criminal actors he is one of the most passionate and dedicated instructors in the FRC lineup.
